

DATA ANALYSIS

NASREEYAH SADEEN

ABOUT ME

Fourth-year ICT student at Prince of Songkla University with internship experience in data management and analysis using Microsoft Excel. Also experienced in backend development and PostgreSQL database integration through a graduation project. Interested in Data Analytics, and data-related roles.

EDUCATION

2023–Present

Prince of Songkla University, Hat Yai Campus

Faculty of Science

Bachelor of Science in Information and Communication Technology (ICT)

4th Year

INTERNSHIP EXPERIENCE

Data Analyst

Science, Technology and Innovation Infrastructure

Division, Southern Regional Science Park

April – June 2026

- Managed operational data using Microsoft Excel.
- Structured data for entrepreneur registration, contract registration, and facility management systems.
- Analyzed occupancy rates, available space, and space utilization by business type. Created forms to collect entrepreneur impact data.
- Used Excel formulas for data organization, calculation, and analysis.

PROJECT

Web-based Logistics Information System – Backend Developer

- Developed backend APIs using Java and PostgreSQL.
- Managed data for customers, quotations, bookings, billing, payments, and logistics operations.
- Connected the backend with the PostgreSQL database to retrieve and provide data for system operations.

TECHNICAL SKILLS

DATA & ANALYTICS

- Microsoft Excel
- PivotTable
- Excel Formulas
- Dashboard
- Data Management
- Data Analysis
- Data Visualization

TOOLS

- Visual Studio Code
- Git / GitHub
- Figma
- Canva

PROGRAMMING

- Java
- JavaScript
- React
- Node.js
- HTML / CSS

SOFT SKILLS

- Problem Solving
- Teamwork
- Fast Learner
- Time Management
- Attention to Detail
- Communication
